

FISH have been working with the school for some time to help ensure the future viability of an on site after school provision for children at Withycombe Raleigh. We believe the efforts of our combined teams will benefit your child with extra opportunities and improve the service and childcare.

In addition, FISH holiday clubs are an opportunity for children to have fun in a safe and secure environment, enjoying time with their friends and being able to take part in a range of activities including arts and crafts, cookery, sports, team games and a general selection of free-play activities to keep them occupied through the session. We love getting outside as much as possible and a thriving club with a range of play opportunities for children is our aim.

Our staff are recruited with your children in mind with a minimum of 50% of qualified to a level 3 or above standard, all staff attend mandatory safeguarding training and DBS checks are compulsory. There will always be a staff member on site who holds a paediatric first aid qualification.

Our booking process is online and is designed for parents to use it as flexibly as they need to. You will need to register your child on our system before we are able to take your booking: [www.funinschoolholidays.co.uk/bookings](http://www.funinschoolholidays.co.uk/bookings) once you are registered you will be able to book and pay for sessions using a Debit or Credit Card.

in place you will be unable to claim through WFTC, again this will only be a very short term issue.

FISH brings access to additional resources including bouncy castle, archery equipment, assault courses and our popular electric go-karts. With the support of the school we are able to keep the price at £9 per session, even when we extend to 6pm.

We are focused on a seamless transition to ensure you and your children see a continuation of the quality and service they have come to expect from both “the explorers club” and FISH.

Should there be any additional questions please contact Sarah or Dan on 08445 618847 or email us on [info@fishkids.co.uk](mailto:info@fishkids.co.uk)

We look forward to meeting and welcoming your children to FISH Withycombe Raleigh after the Easter Holidays!

Dan & Sarah
