

Riverford
organic farms

Dear parents/carers

We're writing about a new, easy way to raise funds for our school - and encourage children to eat healthily at the same time 🥦.

Riverford, the organic veg box company, will make a generous £15 donation to the school PTFA for every family who becomes a customer. Their fresh, colourful veg changes with the seasons and each box comes with weekly recipes for added inspiration.

On delivery of your 3rd veg box our school will receive a generous £15 donation - so it's good for everyone!

Prices start from just £11.45 for a box with free home delivery. If you're already a customer just let them know the school's code and your next orders will qualify too.

To find out more or place an order visit www.riverford.co.uk/vegfund-schools, or call Riverford on 01803 227227.

How it works:

- 1 We've already registered our school for the Veg Fund and received a unique ID code
- 2 Families choose a seasonal organic box from the online farm shop
- 3 Quote our school's unique code **SCH1311** in the 'notes' box when you check out
- 4 Your friendly local veg team will deliver free (no need to be home)
- 5 On your 3rd delivery our school will receive a £15 donation

You can find out more at www.riverford.co.uk/vegfund.
Thank you for supporting this great scheme.
