Daily spelling sessions.

Daily guided reading sessions.

Science and History

Science

Skeletons, Movement and Nutrition and Diet. This unit teaches the importance of the right type and amount of nutrition as well as the functions of skeletons and muscles.

History

A study of how the lives of ancient Britons changed during the Stone Age including where people lived, what they ate and how archaeologists reconstruct life during this time.

Life during the Stone Age

PE

Gymnastics - developing skills in pathways, direction and shape.

Cricket - To be able to adhere to some of the basic rules of the game and to develop skills including striking a bowled ball.

RE, ICT, PSE and Spanish.

RE - Christianity - The Creation and the Fall.

ICT - Computer safety, introduction to programming (Scratch).

RSE - Be Yourself

Spanish - weekly lessons with Mrs Burrows.

Art and Music

Art

Children will develop their drawing and sketching skills to create their own version of a cave painting. They will then go onto to studying positive and negative spaces to create a piece of art based on Stonehenge.

Music

Children will use xylophones and boom whackers to play music based on The Flintstones.
