

Received your MCAS invitation email?

## What you need to do - within 24 hours:

During the week 16<sup>th</sup>-20<sup>th</sup> March you will receive an email from the school with a link to the 'My Child at School' app Parent Login page.

You will need to open the email and click on: 'Please click [Here](#) to create your login password'. You can do this on any mobile phone, tablet or PC.

Here's what the email will look like:

Once you click the link you can follow the guide to set your account up – it's quite easy. You'll see some account details are there already, and we're adding more functions over the next few weeks.

**By Tuesday 2<sup>nd</sup> June you will need MCAS to be able to book and select school lunches, pay for trips and book clubs etc. It is important that you activate your MCAS account on receipt of your email invitation.**

**Missed the 24 hour active link deadline?** If we notice any accounts that have not been activated before the link expires we will resend it to the same email address by next week.

A copy of all the information we send out about the MCAS app will be put on our Home Connect page of the website in case you need to refer back to it: [wrpschool.org/homeconnect-2026](http://wrpschool.org/homeconnect-2026) If you have any other problems setting up your account please let us know.
