	None		
65.24.25	Minutes:	Decision	All
	The minutes from the FGB meeting on 20 th May 2025 were agreed as an accurate record		

Withycombe Raleigh C of E Primary School Governing Body

67.24.25 Matters Arising: None
67.24.25 Correspondence: None Headteacher Report Full report uploaded to the Drive. EJ presented the report to the Governors The budget continues to be at the forefront of our minds and impacts on decisions. As well as our own budget being strained, other services are also experiencing difficulties. It is extremely challenging to find support for families/children that require support. Both the SEMH team and C and I Team have ceased accepting referrals. Outside agencies either don't respond to queries or take a long time to respond. Waiting lists are getting longer and longer. All services are overstretched and we all need to be mindful of this when we make decisions about school strategies. Along with report writing, teaching every day, developing the curriculum etc every class has been out (or will have been out) on a trip off site. Often as part of our Withycombe 60 scheme. With curriculum demands-we are keen to hold on to these experiences. Withycombe Staff visited nurseries and preschools to learn about the children joining us in September. We held our New Starters event on 18 th June. Our new EYFS children have visited us for a class visit and will be back again for Buddy Tours., Our numbers for September are around 85 Year 6 received glowing praise from the writing moderators for their excellent knowledge of all the children, their preparation for the meeting and for the high standard of writing they reviewed across the board. They were particularly praiseworthy of the choices and quality of writing units planned
