

# Breakfast Club Conditions

For the safety of all our children, we operate the school breakfast club under the following terms:

- Places are limited and offered on a first-come, first-served basis.
- Please book via your ParentPay account two clear days in advance.
- Children who arrive before 8am are offered a choice of healthy breakfast. Children arriving after 8am must have had breakfast at home prior to drop-off.
- Children being dropped off for breakfast club should arrive via the main school reception. Please advise the breakfast club leader if your child will arrive after 8:15am.
- All children, regardless of age, must be handed over to a school staff member by an adult, and booked in at each session. We cannot accept responsibility for children dropped at the outer school gates and not escorted to the hall.
- We can only accept children whose place has been booked in advance. If any child is dropped off without a booking, we will telephone you to return so you can supervise your child off-site until the school day begins at 8:40am. This is because we are not permitted to exceed our staff-to-children ratio.
- Because places are allocated we are unable to refund breakfast club bookings. By booking a place you agree to this policy.
- While this club operates outside of statutory school hours, we expect our usual levels of good behaviour at breakfast club.
- After school clubs are separate and run by an outside provider, please visit: <http://www.funinschoolholidays.co.uk/>
