

Physical Development

Body Management & Co-operation

In our indoor & outdoor PE sessions we will learn to explore, balance and manage our own bodies, learning to stretch, reach, and extend in a variety of ways and positions.

We will work with a partner to listen and share ideas & questions, learning to work as a team.

Communication & Language

Vocabulary & Expression

We will be learning lots of new words and signs to help us to remember and embed our new vocabulary. We will also innovate our poems!

We will be looking at how we use our voices when we read poems to make our voices sound expressive!

Understanding the World

Seasonal Change & Natural Processes

We will notice the changing seasons, and build on our knowledge of Autumn to think about Winter and how it is different. We will explore frost and melting ice, thinking like scientists and making predictions and observations and asking good questions!

Expressive Arts & Design

Wax Resist Artwork

We will revisit our colour mixing knowledge, and learn new skills and techniques, such as wax resist drawing to look carefully, notice and represent what we can see.

Mathematics

Mastering Number: Composition

Knowing numbers are made up of two or more other smaller numbers involves 'part-whole' understanding. Learning to 'see' a whole number and its parts at the same time is a key development in children's number understanding. Partitioning numbers into other numbers and putting them back together again underpins understanding of addition and subtraction as inverse operations.

Literacy

Poetry, Fiction & Non-Fiction

We will find out about poetry and learn a poem about Jack Frost using our storytelling approach. We will make a Poem Map and we will learn to innovate it! We will explore Non-Fiction and find out about the changing seasons.

Personal, Social & Emotional Development

(Kapow Scheme) Managing Ourselves: Taking on Challenges

We will understand why we have rules, the importance of persistence and perseverance and we will practise coping strategies, learning how to communicate effectively.
