Welcome to Year 1 - Autumn 2025

5th September 2025

Dear Parents/Carers,

We hope you have all had a fantastic summer break and a well-deserved rest. We are very much looking forward to this term with our lovely Year One children.

This term our topic title is '**Looking After Me**'. You will find a copy of this topic web on the school website to give you more detail of some of the areas we will be covering. If you have any expertise in this area or any resources, please do let us know!

Please continue to try to read daily with your child. We change the reading books on a Monday but rely upon a comment in the reading record to confirm that they have read. Please can we ask that the reading book and reading record is kept in the book-bag at all times. We ask that you continue to access the e-books that we update on a Thursday. If you have any problems with this, please talk to us or email. The class teacher will be monitoring the usage of the Collins e-books and if the expectation of reading these books every week is not met this will be discussed further. The first e-book will be allocated on **Friday 19th September**. If you need replacement log-in details please let us know.

The children need to wear school PE kits on Tuesdays and Fridays each week. They can come into school wearing this for the whole day.

We will be having a DT week after half term and will ask for parents/grandparents/etc to help during the afternoons – more details will be sent nearer the time.

Finally, it is really important that your child has their own water bottle in school. Please can we remind you that all their belongings need to be clearly labelled. If an item is not named it is virtually impossible to find any lost items.

As Tapestry is now closed, we will correspond with you via our class emails every Friday. These emails will give you updates about what is going on in school and suggested ideas for home learning. We love to hear from you and are happy to be sent messages and photos to share with the class on the big white board screen. Please can you email your class teacher to say 'hi' so we have your email address (don't forget to include your child's name, so we know who you are!)

rabbit@wrpschool.org

hedgehog@wrpschool.org

barnowl@wrpschool.org

If you have any questions or queries, please do not hesitate to come and see your child's teacher and we will endeavour to see you then, or arrange a convenient time for us both.

Kindest regards,

The Year One Team
