Tapestry Journal sign-up & consent form

Tapestry Learning Journals enable your Teachers and TAs to share photos and news about your child's school day. We love to keep you informed and we know our families enjoy seeing their children having a great time in school. Learning Journals contain **confidential data, including photographs**. Some photographs may include other children playing alongside or in the background of photos as we capture the learning experiences in class.

IMPORTANT: You must not use photographs or other information from Tapestry in any way. This means you cannot download, share, screen-shot or upload photos to social media. Due to the seriousness of this issue if this agreement is breached your account will be made inactive, and for serious breaches you could face legal action.

We appreciate your understanding and co-operation and ask that you complete the following declaration to enable us to activate your account. If you would like more than one account, for example for parents who do not live together, please complete a separate consent form for each account.

Thank you.
Miss Lee and the Foundation Team

I agree that:

- I will not attempt to publicise, print, display or share any photos or information from Tapestry with others, and will ensure the privacy of other families and their children.
- I will keep my login details secure, and will not share login information with others.
- I give consent for my child's photograph to appear on their friend's learning journals and understand that I may also see photos of my child's friends.
- I will share any concerns I have about potential misuse of Tapestry with a member of staff, eg if I discover photos shared on Facebook or other social media.
- I understand that I can withdraw consent for my child's data to be shared on Tapestry at a later date by informing a member of staff.
